Kristu Jayanti School of Management organized the Domain Specific Lecture Series

Kristu Jayanti School of Management organized the Domain Specific Lecture Series (DSL) for its MBA/PGDM students, who are specializing in International Finance Programme. The MBA/PGDM in International Finance stream offered by the School is delivered in collaboration with Association of Chartered Certified Accountants (ACCA), United Kingdom. This specialization that was offered during the current academic year 2017-18 attracted good number of students to enrol in the course. The main objective of this course is to enable the students globally competent in a globally connected world of business.

In order to bring in the focus and to educate the students on this programme, Mr Rabin Katwal, FCCA, Head, ACCA, Nepal was invited to share his knowledge and experience under the series christened as Domain Specific

Lecture Series (DSL). Mr. Rabin enlightened the students about the changing roles and also on the skills the Accounting & Finance professionals need to develop from the global perspective. He also highlighted the developments in the technology through Artificial Intelligence & Block Chain and how those are relevant to Accounting & Finance professionals. The session ended with a Q & A interaction.
