

KRISTU JAYANTI SCHOOL OF MANAGEMENT LAUNCHES 'LEARN TO LEAD – INTERACTION SERIES'

The School of Management at Kristu Jayanti College, Autonomous, Bengaluru launches an innovative initiative, the 'Learn to Lead – Interaction Series'. This platform is meticulously designed to foster leadership acumen and establish strong industry linkages among emerging management professionals. The inaugural session of the series was graced by Fr Dr Augustine George, Principal, faculty members, students, and distinguished guests, marking a significant milestone in the institution's ongoing commitment to delivering comprehensive and forward-thinking management education.

The "Learn to Lead – Interaction Series" is a ground breaking student-led initiative that places participants at the forefront of the event's planning and execution. This unique approach empowers students to conceptualise, organise, and manage the event from start to finish. By bridging the gap between academic theory and corporate practice, this initiative offers participants a tangible, experiential learning opportunity that sharpens both their strategic and operational capabilities. The inaugural session of the series featured Shri Mohan Narayanaswamy Natarajan, Co-Founder & CEO

of Temperstack, a distinguished leader in the IT industry. Mr Natarajan shared his invaluable "7 Realisations" gained throughout his distinguished career, providing attendees with critical insights into leadership, innovation, and resilience in the ever-evolving business landscape.

The event was met with overwhelming enthusiasm. The "Learn to Lead – Interaction Series" is poised to become a recurring feature at Kristu Jayanti College, consistently fostering a culture of innovation, leadership, and collaboration. This initiative underscores the institution's enduring commitment to equipping its students with the knowledge, skills, and networks necessary to excel in the dynamic global business environment.
