

## School of Management, Kristu Jayanti College Bengaluru organized Green Belt Six Sigma Certification Programme

**K**ristu Jayanti School of Management organized the Green Belt Six Sigma Certification Program. As part of the value added certificate courses of the school, this certification program has benefited a huge number of students over the years in the past. This academic year, the certification program was conducted between 27th June and 30th June, for the first year MBA students. The course was delivered by the professionals from KPMG, Mr. Stephen and Mr. Manish. The training was a mix of theory and hands on learning experience with the utilization of ICT tools. This hands on experience was a value addition to the MBA students, who would be

receiving the Green Belt Certificate from KPMG on successful completion of the assessment that is to follow after the training program.
